18	<b>Programme Description</b>
	The programme consists of four taught modules and a dissertation. All students take the core module 'Mastering Historical Research' in the first term of their degree. They then have a choice of a further three option modules (taken across two years for the part-time degree, or within one year for the full-time degree). There is also skills training in preparation for the dissertation in the first part of the summer term; students received one-to-one supervision for their dissertation research, and the dissertation is then submitted at the end of September in the year in which the degree is completed.
